

## Junior Metallurgist - Tailings

Copper Mountain Mine is a large scale open pit copper mine located in south central British Columbia. The mine has evolved into a mature and highly efficient operation with a long term mine plan and significant opportunity for mine life extension. If you like to work with people in a working environment to deliver results, and you enjoy an active outdoor lifestyle with easy access to city life, this could be your opportunity.

Reporting to the Tailings General Foreman, the Junior Metallurgist will provide technical support and guidance to the mill operations group, with a focus on the tailings management facility.

### Technical Skills and Knowledge

- Support the operation, maintenance and surveillance of the Tailings Management Facility.
- Troubleshoot day to day operational and maintenance issues associated with the construction of the tailings facility.
- Optimize cyclone sand production to exceed budget requirements through process and equipment trials.
- Integrated role in short term and long term planning for the development of the Tailings Management Facility.
- Opportunity to gain experience and exposure to other processes in the mill department through providing support within the metallurgical department.

### Other Skills and Abilities

- Bachelor's Degree in Mineral Processing, Chemical Engineering, or other related field
- Experience working in a mineral processing plant an asset
- Registered member, or qualified to register, with EGBC
- Demonstrated ability to lead and work within a team and achieve results
- Strong interpersonal and communications skills, ability to communicate with all levels of the organization
- Ability to analyze data and statistical information to produce reports and make recommendations
- Valid Driver's License

### Pay and Benefits

Copper Mountain Mine offers a competitive wage, a comprehensive benefit package including RRSP contributions. **There is no camp provision at Copper Mountain Mine.** This position works 5x2 (Monday to Friday). All qualified persons are invited to apply; **applicants must be legally entitled to work in Canada.**

**You will be required to participate in a pre-employment drug & alcohol screening and a medical.**

Send resume outlining related qualifications to [hr@cumtnop.com](mailto:hr@cumtnop.com) (in either word or pdf format).

We wish to thank all applicants for their interest and effort in applying for the position; however, only candidates selected for interviews will be contacted.

*Your application to this posting is deemed to be your consent to the collection, use and necessary disclosure of personal information for the purposes of recruitment. Copper Mountain Mine respects the privacy of all applicants and the confidentiality of personal information.*
