

Chief Metallurgist

Copper Mountain Mine is a large scale open pit copper mine located in south central British Columbia. The mine has evolved into a mature and highly efficient operation with a long term mine plan and significant opportunity for mine life extension. If you like to work with people in a working environment to deliver results, and you enjoy an active outdoor lifestyle with easy access to city life, this could be your opportunity.

Reporting to the Mill Manager, the Chief Metallurgist will be responsible for overseeing and leading the metallurgy team.

Position Overview

- Accountability for the definition, implementation, monitoring and optimization of the Milling process and performance.
- Reporting and analyzing daily, weekly and monthly KPI's and providing technical and operational support to ensure KPI's are reached.
- Integral in development and implementation of continuous plant improvements through small scale and large scale projects.
- Critical team member in ensuring company safety standards are followed across site.
- Oversight of the metallurgical department; providing guidance and development to the team and managing the metallurgical structure and resources for optimizing metallurgical performance in the plant.
- Support operations in developing and providing technical training through documentation and training programs.
- In conjunction with the Mill Manager, support the development of the annual mill production budget through 1 -3 -5 year planning.

Qualifications

- Degree in Metallurgy, Chemical Engineering or Mineral Processing with a minimum of 10 years' experience
- Experienced in Copper Porphyry Flotation and comminution processes
- Must be registered or able to register with EGBC
- Previous experience as a Chief Metallurgist, or extensive experience in a Senior Metallurgist role
- Experience in supervision of technical personnel
- Strong leadership, communication and problem solving skills

Pay and Benefits

Copper Mountain Mine offers a competitive wage, a comprehensive benefit package including RRSP contributions. **There is no camp provision at Copper Mountain Mine.** This position works 5x2 (Monday to Friday). All qualified persons are invited to apply; **applicants must be legally entitled to work in Canada.**

You will be required to participate in a pre-employment drug & alcohol screening and a medical.

Send resume outlining related qualifications to hr@cumtnop.com (in either word or pdf format).

We wish to thank all applicants for their interest and effort in applying for the position; however, only candidates selected for interviews will be contacted.

Your application to this posting is deemed to be your consent to the collection, use and necessary disclosure of personal information for the purposes of recruitment. Copper Mountain Mine respects the privacy of all applicants and the confidentiality of personal information.
