**Copper Mountain Receives Conditional Approval For Listing of Shares on the TSX**

**Vancouver, B.C., September 9, 2008** – Copper Mountain Mining Corporation (“CMMC” or the “Company”) is pleased to announce that it has now received conditional approval for the listing on the Toronto Stock Exchange (“TSX”) of the Company’s common shares (the “Shares”) and the Company’s common share purchase warrants (the “Warrants”) that currently trade on the TSX Venture Exchange. The conditional approval was received based on a draft application submitted to the TSX. The listing of the Shares and Warrants on the TSX is subject to final documentation being submitted by the Company. The Company anticipates that the listing of the Shares and Warrants on the TSX will take place on or before September 30, 2008. Once the Shares and Warrants commence trading on the TSX, at that time, the Company’s common shares and share purchase warrants will no longer trade on the TSX Venture Exchange.

Mr. O’Rourke, Chief Executive Officer of Copper Mountain stated: “the graduation of listing the Company’s shares on the TSX Exchange is another significant milestone in the Company’s short history. We believe that listing the Company’s shares on the senior Canadian exchange will benefit our existing shareholders and will make the shares more attractive to institutional investors globally and in Canada as we advance our copper mine towards production by the end of 2010”.
