About Copper Mountain Mining Corporation:

Copper Mountain’s flagship asset is the Copper Mountain mine located in southern British Columbia near the town of Princeton. The Company has a strategic alliance with Mitsubishi Materials Corporation who owns 25% of the mine. The Copper Mountain mine commenced production in the summer of 2011 and has continued to improve its operations since startup. The 18,000 acre site has a large resource of copper that remains open laterally and at depth. The mine has significant exploration potential that will need to be explored over the next few years to fully appreciate the properties full development potential. Additional information is available on the Company’s web page at www.CuMtn.com.
